# Service points & mileage

PRINTABLE SHIPPER REFERENCE / WISCONSIN + MINNESOTA

## Find your location. Start a conversation.

This directory contains 1,389 city/ZIP entries from the updated website search.
Cities with multiple matching ZIPs appear on separate rows. Postal city names may differ from municipal, neighborhood or historical service-list names.
A listing does not guarantee current service, schedule, transit time or rates.

### How to read the directory

P = PO-box ZIP. Use a street-delivery ZIP for freight.

U = Organization-only ZIP. Confirm the receiving street address.

R = Researched locality or historical-station reference; confirm by address.

Unmarked ZIPs are postal-reference matches or the supplied Randall correction.

### What changed

City spellings and alternate postal names were checked. Multiple ZIPs were added.
Older locality and station names were researched; these have an R marker.
Randall uses the supplied Kenosha County ZIPs: 53105, 53128 and 53181.
These are postal associations, not a complete map of municipal boundaries.

### Sources & limitations

Postal reference: Zipcodes project (UnitedStatesZipCodes, USPS and GeoNames).
Individual cases use USPS station records, local authorities and published addresses.
GeoNames data is CC BY 4.0. No USPS street-address certification is implied.
The mileage table on the next page is retained from the original company sheet.
Those mileages have not been recalculated and are not current routing estimates.
